

Dear Parents,

The Bible tells us to store up “Treasures in Heaven.” Because Bible knowledge and application are so important, we designed the Fairmount Treasures in Heaven Program for our K – 5th graders. Treasures in Heaven is designed to help children store up “Treasures in Heaven” with its three components- **“Hide His Word”, “Serve”, and “Give”**. When we read scripture and “hide it in our hearts” (memorize it), it will help us avoid sin. Doing service work can help teach a child to be kind, compassionate, and hard-working, but also makes us be more like Jesus-the best example of a servant ever! Giving of our money is a great discipline to start when you are young! It never gets easier, and the Bible asks us to give. Our Treasures in Heaven program provides a consistent and uniform incentive for children to learn and retain Bible knowledge.

Treasures In Heaven has level cards named after precious gemstones or metals. Children will start on the “Starter Card” and will move through the levels at their own pace. Therefore, it is up to the child and their family how many levels they will complete. Of course, the lower levels are much easier and the highest levels are more challenging. The children will earn a lanyard and then pins for each level that they complete.

This brochure will help explain the program in more depth. We hope it will increase your children’s desire and enthusiasm to learn and obey God’s Word and that what they learn in their youth will provide direction their entire lives.

In His love,

Ashley Sears

I have hidden Your Word in
my heart that I might not sin
against you.

MAKING TIME FOR GOD'S WORD

Learning God's Word is an important part of learning how to live a Christian life and growing closer to God. Take 2 minutes of every day to spend time on memory work. You can do it while riding in the car on the way to activities or while brushing teeth. Listening to Scripture songs is a fun way to memorize Scripture quickly. Go to www.KidsRHis.net to access our YouTube channel with fun songs to help make Bible Memorization easier. Challenge the whole family to learn the memory work together!
